

I

pledge to lead the way by:

- 1** Committing to stop using a cell phone while driving.
- 2** Asking loved ones and friends to stop using cell phones while driving.
- 3** Being informed about traffic safety laws in my area.
- 4** Learning more about how distracted driving can harm me and others.
- 5** Being courteous to other drivers on the roadway by reducing tasks (eating, grooming, talking on cell phone, etc.) while operating a vehicle.
- 6** Modifying my driving behaviors to maintain satisfactory driving performance and attentiveness.
- 7** Wearing my seatbelt. It is my best defense against a distracted driver.
